

Sour Bridges

Bio

Sour Bridges is a lively and spirited band hailing from Austin, Texas. Known for their unique blend of folk, Americana, and rock, Sour Bridges creates a vibrant musical experience. Their infectious melodies, catchy hooks, and energetic performances have won them a devoted following. With a diverse range of instruments including banjo, fiddle, and harmonica, Sour Bridges infuse their music with a sense of nostalgia and toe-tapping rhythm. Their lyrics often tell stories of life, love, and the pursuit of adventure, resonating with audiences and capturing the essence of Americana music. Whether performing at local venues or larger stages, Sour Bridges bring an undeniable energy that leaves their audiences smiling and wanting more.
